

## Operating Committee Update

The Skate Ontario organization structure continues to evolve with new staff announcements and operating committees being populated and gaining substance with Terms of Reference. We are happy to announce the Judges, Evaluators, Technical (JET) and Data Specialists (DS) committees are now fully formed. These two committees are now preparing education, processes and policy that will guide their specific audiences in the coming season. (Keep current with the links below)

### **Judges/Evaluator/Technical (JET) Operating Committee**

Chair - Susan Blatz

#### **Mandate:**

The JET Committee will manage the recruitment, development, promotion and administration of all judges, evaluators, tech reps and referees in Skate Ontario ensuring that events throughout the province are staffed with qualified people. They will make recommendations to the national committee regarding appointments and promotions. This group will act as mentors and encourage the advancements of officials in the province.

#### **Committee Members**
