

Data Specialist Assignment Criteria

The Skate Ontario Data Specialist Operating Committee will assign the Data Specialists required for all events within the province using the criteria below. Decisions shall be based on what is best for the event while being efficient in related travel expenses while providing opportunities for DS training and advancement.

Staffing will be based on the guidelines below:

For each rink using the system – Chief, Computer, **NO MORE** than 4 DS per day

For each rink that is Manual (Paper) – Chief, Computer, **NO MORE** than 3 DS per day

Data Specialists who are Level II or Level III will be considered for assignment for those competitions deemed as part of the Skate Canada Summer Series, Skate Ontario Sectional Championships, Skate Ontario Regional Synchronized Skating Championships and Skate Ontario Provincial Championships.
