

## Approved Music for Pattern Dances

Skate Canada approves the following music to be used for STAR assessments and events:

- All Skate Canada Series Music,
- All ISU dance music,
- All songs identified in the chart below

Skate Canada Series music is available as downloadable zip files on the material Catalogue. Please note that all series may not contain all of the dances. For example, Series 3 does not contain the Baby Blues.

All ISU dance music must be obtained through the ISU.

Due to copyright, Skate Canada does not provide music contained within the chart below to its stakeholders. It is the responsibility of the stakeholder to acquire the music.

If you have music you would like to be considered for the list below please send the request to [info@skatecanada.ca](mailto:info@skatecanada.ca) and include the BPM, Song Title, Artist and album.

| STAR Level         | Dance Name          | BPM | Actual BPM | Song Title           | Artist              |
|--------------------|---------------------|-----|------------|----------------------|---------------------|
| STAR 2A            | Dutch Waltz         | 138 | 140        | You and Me           | Lifefhouse          |
|                    |                     |     | 138        | I'll Be              | Edwin McCain        |
|                    |                     |     | 138        | Hayden               | Woody               |
|                    |                     |     | 135        | I wont give up       | Jason Mraz          |
|                    |                     |     | 143        | Take this Waltz      | Leonard Cohen       |
|                    |                     |     | 138        | Sky Sailing          | Brielle             |
