- Kneeling or sliding (two knees, legs or combination of body parts) or supporting oneself on the ice with a hand(s)

D. Divisioning

Each flight can have no more than 8 skaters. When there are more than eight (8) skaters in a Level, a skate-off will take place. In the case of an odd number of skaters (the larger group) would go into group "A" (the higher group) of the skate-off.

E. Skate-off for final flight

If a skate – off is necessary, skaters will be assigned to a warmup group. Each group will warm – up and immediately compete (Warm up group 1 – Competition for group 1).

No results will be posted – only the final flights in which the skaters will compete in.

If the number of skaters is uneven, the higher flight will have an odd number (larger group).

In the case of a tie, the PC scores will be used to break the tie. If after this the tie remains, the skater with least number of bronze assessments will break the tie, followed by the number of silver assessments etc.

In Ice Dance – only 1 dance will be used for a skate- off (to be drawn at least one week prior to the competition)

F. Practice & Warm up

1) Official Practice Ice

- Max of 10 skaters on ice
- Coaches **will not** be allowed on the ice during official practice
- Sessions will be by level

2) Warm –up

- Coaches **may not** be on the ice during warm up
- Coaches must have easy access to the athletes either by removal of glass or open doors.

G. Competition safety

- 1) All doors/openings to the ice level must be closed during competition events. (when skaters are performing)

H. Music

For all events music selections may contain vocals. The vocals must be appropriate for all ages.

Each entry must provide a digital copy of their music. Music must be submitted as per the event announcement instructions and guidelines.

All music used must be in the public domain or covered by the performing rights societies.

Competitors who have music composed specifically for their programs either wholly or in part are responsible for obtaining a written release from the composer for the use of such music on radio and/ or television or appropriate clearance from the performing rights societies.

Standards Specifications for Music:

The start of the music shall be recorded with less than two seconds of lead in.

Skaters **MUST** have a copy of their music on a USB at rink side as a backup.

For Dance events, skaters may choose music from any Skate Canada Dance Series music, ISU dance music or the Skate Canada Approved Additional Music for Pattern Dance.

I. Dress code/Props/Helmets

1. Clothing

Except where otherwise stated, skating outfits must comply with Skate Canada rule Competitions 2.7, Clothing:

Singles, Pairs, Ice Dance, Artistic

In all disciplines, clothing of the competitors must be modest, dignified and appropriate for athletic competition – not garish or theatrical in design. Clothing may, however, reflect the character of the music chosen. The clothing must not give the effect of excessive nudity inappropriate for the discipline. For domestic competition, clothing requirements are gender neutral. There are no restrictions on skaters choosing to wear skirts, dresses, pants or tights.

The Judges and the Referee will apply a deduction for clothing that does not adhere to these rules.

Accessories and props are not permitted. The Judges and the Referee will apply a deduction for use of either one.

The decorations on costumes must be non-detachable. If part of the costume falls on the ice the Referee will apply a deduction.

A skater who chooses to wear a CSA-approved helmet during a competition or assessment will not be subject to any deduction in relation to the use of this helmet.

2. Props

Props may not be used. Any item that is held in the hand or removed during the performance is considered to be a prop. Thus, for example, a hat worn throughout the program is not considered to be a prop but becomes one if it is intentionally removed during the performance. If an item falls off on its own, it is not a prop.

3. Helmets

- All level 1 competitors must wear CSA approved helmets.
- All skaters who have not passed Stage 5 must wear a CSA approved helmet. (Level 2 skaters)

Please note: All Level 2 skaters that have passed stage 5 must submit a photocopy of their report card at registration for proof otherwise they will have to wear a helmet for competition. (No exceptions)

J. Planned Program Sheets

Will be required for all Freeskate and Pair events

****Coaches/Skaters** are required to submit Planned Program sheets digitally prior to the competition.

K. Scoring

All events will be ranked. Final placements will be posted. Total scores will not be posted. For more information, please refer to the scoring appendix.

L. Report Cards

Each skater will receive a report card following the event. The report card will show the assessment of each Required Element and Component Scores or CPC marks depending on event/level.

M. Awards

All skaters placing first through third will receive a medal. (No medals will be awarded for Introductory Dance)

N. Advancing to the Next Level of Competition

1) If a skater /team meets the following criteria they are required to advance to the next skating level for the next competitive cycle (if it is safe and developmentally appropriate to do so).

- Won against at least one (1) other athlete / team at Special Olympics Canada Winter Games. (single competitions only)

2) If a skater or team becomes the National Champion(s) by competing in a category in which they are the sole competitor at a National Games, they have the option of remaining in the same level for further National competition. It will be up to the discretion of the coach to enter the athlete in the appropriate category.

3) If a skater/team is in a level that is divided into different ability groups, only the gold medal winner of the highest ability level must move up (if it is safe and developmentally appropriate to do so).

O. Coaches

All coaches must be currently registered with Skate Canada as well as Special Olympics Canada. Please refer to Special Olympics Canada Policy for NCCP requirements.

In order to attend with an athlete in Level 1 and/or Level 2 the Coach must be a minimum CanSkate trained. In order to attend with an athlete in Level 3 and higher or any dance or pair event the coach must be Regional Coach in training or higher.

P. Levels

During the 4 year competitive cycle, skaters may ~~move up a~~ change levels.
