Coach Pre-Registration for 2019-2020

Thank you for taking part in the Skate Ontario Coach survey process for the 2019-2020 Competition season. This process has been designed to assist Skate Ontario in anticipating competition capacities and provide an improved experience for competition registration for skaters, parents and coaches.

Before you begin, please do the following before you complete the survey:

- Review the event schedule for both the Super Series and the STAR 1 – 4 Series. Check the locations and dates of each of the competitions to determine the suitability of your competition choices for your skaters
- Prioritize your selections by choosing up to 5 competitions that you would like to attend with your skaters at the STAR 1 - 4 category (either STAR 1 - 4 Series or Super Series competitions) and your skaters at the STAR 5 & Up level. Please rank your choices from 1 to 5, with 1 being your first choice and 5 your last choice.
- Taking into account all of your skaters, please fill in the number of athletes you anticipate will be participating in each of the competition levels in the 2019-2020 season. You will be asked to group your athletes into the following category groupings:
 - STAR 1
 - STAR 2 – 4
 - STAR 5 – Gold
 - Pre-Juvenile/Juvenile
 - Pre-Novice-Senior
 - Artistic
- To assist you prior to completing your survey, you may want to determine how many skaters you have in each category and which events in priority you would select based on your clientele. A version of information could be captured in a chart as created below for example.
