

Data Specialist Communications – August 2019

Communications Hub

Pertinent information for Data Specialists will be posted on the Skate Ontario Data Specialist SharePoint site. A link will be sent to Ontario Data Specialists to access the site no later than September 5th, 2019. Posted information will include but is not be limited to CSS Program Updates and Skate Canada DS updates.

Data Specialist Meetings and Trainings

- Save the date for a kick-off conference call for all Chief and Computer Data Specialists on Wednesday, August 28 @ 7:30 pm. The call is designed to review competition workback timelines' processes and protocols for the upcoming 2019-2020 season. Further details will be sent directly to these individuals prior to the call.
- Registration is now open for the Data Specialist Level 1 Clinic, at RIM Park on August 10, 2019 from 9am-4pm. Registration for this clinic will close on August 7, 2019 at 11:59 pm EDT. Please note there is a \$25 registration fee for this clinic. For more information and to register, please click [here](#).

Questions can be directed to Dia Sue-Wah-Sing, dsuewahsing@skateontario.org

Data Specialist Competition Assignment Listing

There are several Data Specialists who have requested that a document be made available to the DS community that lists the competitions and the names of the Data Specialists assigned to each event. If you have any questions or concerns about such a document please contact Michelle Hunsley at mhunsley@skateontario.org

Don't forget!

- Respect in Sport and the Officials Code of Conduct must be completed before your first event after Sept. 1, 2019. We will be tracking to ensure completion for all DS.
- Officials Tags for competitions are required. If you have not received a tag either last year or this year, please contact Dia Sue-Wah-Sing dsuewahsing@skateontario.org

- Please ensure you are registered with a Skate Canada club or school for the upcoming 2019-2020 season. Skate Canada membership expires August 31, 2019.

Organizational Staff Update

- Skate Ontario welcomes Dia Sue-Wah-Sang who has joined us as an Officials Coordinator. She is responsible for the Data Specialists portfolio. dsuewahsing@skateontario.org
