

Data Specialist Communications – September 2019

Communications Hub

Pertinent information for Data Specialists will be posted on the Skate Ontario Data Specialist SharePoint site.

Skate Ontario is working to determine the best way to make CSS updates available. We are awaiting confirmation from Skate Canada to know when they will make the latest update available to all DS. The next update is expected in October 2019. Stay tuned and ensure that your laptop is up to date.

The set up document for the new LTS system will be available shortly.

Data Specialist Promotions

Congratulations to Tanya MacDonald, Mike Pogue and Michael Hollingsworth on their recent Level 1 promotions.

Data Specialist Competition Assignments

If you have accepted an assignment and your availability changes please contact Michelle Hunsley mhunsley@skateontario.org

The list of events and assigned DS will be available once all DS confirm their availability.

Please Remember!!

- Respect in Sport and the Officials Code of Conduct must be completed before your September 1, 2019. We will be tracking to ensure completion for all DS.
- Officials Tags for competitions are required. If you have not received a tag last year or this year, please contact Dia Sue-Wah-Sing dsuewahsing@skateontario.org
- Please ensure you are registered with a Skate Canada club or school for the upcoming 2019-2020 season. Skate Canada membership expires August 31, 2019.
