

Data Specialist Communications – October 2019

Communications Hub

Pertinent information for Data Specialists is posted on the Skate Ontario Data Specialist SharePoint site. Everyone should have received an invite in September to the site. Please connect with [Dia Sue-Wah-Sing](#) if you have not received an invite.

The latest CSS update 19.02 is available on the Skate Ontario DS SharePoint site

Resource Development

The DS Committee is currently working on instruction guides for LTS rinkside set up with a potential complimentary video. Further information will be communicated once the resource is ready.

Adult and Provincial Championships Availability

Skate Ontario has prepared a survey to identify DS availabilities for the Adult and Provincial Championships. The deadline to complete the survey is **Friday , October 11, 2019 at 11:59 pm EDT**. For more information and to complete the survey, please click [here](#).

Don't forget!

- Respect in Sport , Officials Code of Conduct and Rowan's Law must be completed before your first event after Sept. 1, 2019. We will be tracking to ensure completion for all DS.
- Officials Tags for competitions are required. If you have not received a tag either last year or this year, please contact Dia Sue-Wah-Sing dsuewahsing@skateontario.org
- Please ensure you are registered with a Skate Canada club or school for the upcoming 2019-2020 season. Skate Canada membership expired on August 31, 2019.
