LATE ENTRIES: Entries received after the closing date will be considered by the Technical Representative for registration. Late entries are subject to a late fee of a 50% surcharge of registration fees for all categories. No late entries will be considered after start orders are posted (two weeks before event start).

REFUNDS: Full refunds will be given for any cancelled categories.

MEDICAL REFUNDS: Medical refunds will be granted at 50% of registration fees until the commencement of the competition on February 7, 2020. Therefore, an athlete may not receive a medical refund for one category but compete in another category at the same event.

There will be no refunds given on late fees, including the case of a medical withdrawal. For example, if an athlete registers for an event late and withdraws with a medical note prior to competition, they will be refunded 50% of the **ORIGINAL** registration fee, not the registration fee and late fee combined.
