

**Session Participation and Health Screening Tracking**  
**Green/Yellow/Orange Zones - CanSkate / CanPowerSkate**

All skaters/coaches are expected to complete Health Screening prior to each participation in on-ice activity. The Health Screening may be completed verbally. By indicating YES in the chart below, you confirm that this Health Screening was passed.

The expectation is that a tracking sheet must exist for each on-ice session to facilitate contact tracing in the event of a COVID-19 exposure.
