

Session Participation and Health Screening Tracking

Step 1: HP Exemption

All skaters/coaches are expected to complete Health Screening prior to each participation in on-ice activity. The Health Screening may be completed verbally. By indicating YES in the chart below, you confirm that this Health Screening was passed.

The expectation is that a tracking sheet must exist for each on-ice session to facilitate contact tracing in the event of a COVID-19 exposure.

Session Location	Ice Pad	Date	Time

	Name of each individual included in this session <u>A maximum of 18 skaters may be on each session as long as each skater has an HP Exemption as per Skate Ontario.</u> Coaches, choreographers, officials and support staff may be in addition to this number but must be on the HP exemption list and included on the session tracking sheet.
