

# Return to Play Protocols

Version 8.0 – July 16, 2021

## Skate Ontario Return to Play Protocols (these “Protocols”)

**Effective July 16, 2021**

These Protocols are Skate Ontario’s rules and policies and are intended to enable a safe return to the sport. These Protocols are based on current Ontario statutes and regulations, current public health requirements and directives, and Skate Ontario’s desire to make our sport safe for all. These Protocols may be updated at any time; please be sure that you are referring to the most recent Version which will be posted from time to time on Skate Ontario’s website at [www.skateontario.org](http://www.skateontario.org). These Protocols are subject to all federal, provincial and municipal laws, regulations, by-laws and orders as they may exist from time to time.

Skate Ontario will communicate in subsequent Versions of these Protocols updated information as it becomes available.

### Club and Skating School Operations

Area	Item	Protocol
Club / Skating School Operations CSO – 001	Compliance with regulations	<p>All figure skating activities must adhere to all federal, provincial and municipal laws, regulations, by-laws and orders as they may exist from time to time. This includes but is not limited to compliance with:</p> <ul style="list-style-type: none"> <li>• Physical distancing measures</li> <li>• Health and safety regulations</li> <li>• <b>Facility capacity limits</b></li> <li>• Skate Canada rules, policies and procedures</li> <li>• Skate Ontario rules, policies and procedures</li> <li>• All Safe Sport policies and procedures</li> <li>• Applicable occupational health and safety requirements</li> </ul>
Club / Skating School Operations CSO – 002	Compliance with these Protocols	<p>Each club, skating school and coach conducting training (whether or not on rented non-club ice) must implement and comply with the current Version of these Protocols. Each club, skating school and coach is also responsible for implementing and complying with any updated Version of these Protocols as posted from time to time.</p> <p>The Acknowledgement, Release, Indemnity, and Assumption of Risk regarding COVID-19 form provided as part of these Protocols must be completed by each participant in club or skating school activities (including staff, skaters, coaches, choreographers and volunteers). This form must be completed prior to the start of participation in club or skating school activities. This form is only required to be completed one time by each participant. The club or skating school must keep this form on-file for each participant. It is not necessary to submit this to Skate Ontario, but it may be requested by Skate Ontario at any time.</p> <p>Any non-implementation or non-compliance may have consequences and could jeopardize insurance coverage.</p>

### Club and Skating School Operations (continued)

Area	Item	Protocol
Club / Skating School Operations CSO – 003	COVID-19 Education	<p>Each club and skating school must ensure that staff, coaches, skaters, parents, members and volunteers receive education on new safety and hygiene protocols within the club / skating school as well as Government-approved information on ways to limit the spread of COVID-19 including:</p> <ul style="list-style-type: none"> <li>• Respiratory etiquette</li> <li>• Hand hygiene</li> <li>• Physical distancing</li> <li>• Use of Personal Protective Equipment (e.g. masks or face coverings)</li> </ul> <p><i>Note: Please see Appendix A for samples of these education tools</i></p>
Club / Skating School Operations CSO - 004	COVID-19 Response Plan	<p>Each club and skating school must develop a COVID-19 Response Plan which must include provisions:</p> <ol style="list-style-type: none"> <li>1. Designating groups of individuals to oversee the implementation of health and safety guidelines</li> <li>2. Establishing a protocol to address situations where individuals become unwell or show signs of COVID-19 symptoms during club or skating school activities</li> <li>3. Establishing a protocol for individuals to report to club and skating school members and external stakeholders (i.e. Skate Ontario, facility management) if they have developed, or been exposed to someone with COVID-19 symptoms</li> <li>4. Establishing a protocol for the club or skating school to inform staff, coaches, skaters, parents, members and volunteers if there has been an exposure to COVID-19 within the club or skating school</li> <li>5. Establishing procedures to modify, restrict, postpone or cancel training sessions or other activities based on the evolving COVID-19 pandemic</li> <li>6. ## **Appendix B: COVID-19 Club Response Plan**

The following draft information has been developed to assist clubs and skating schools develop and implement a COVID-19 Club Response Plan.

### **Contents**

1. Contact list for COVID-19 Club Oversight Group
2. Club/skating school COVID-19 Protocols
3. Club/skating school COVID-19 Communication Plan

**Contact List for Club COVID-19 Oversight Group**

The purpose of this group is to oversee the implementation of safety and health guidelines within the club/skating school. Depending on the size of the club/skating school we recommend 3-5 people aged 18 and older.

This information should be communicated to club/skating school members in an e-mail communication and posted to the club website if applicable. We recommend a minimum of 3 individuals be designated as the COVID-19 Oversight Group.

\*\*\*\*\*

Dear Club/Skating School Members,

We would like to inform you of the individuals who will be acting as the COVID-19 Oversight Group as we transition back to skating activities. The following people will comprise this COVID-19 Oversight Group.

Name	Position	Phone	E-mail

Should you have any questions about any aspects of the Return to Play protocols or other policies and procedures related to COVID-19, please contact one of the individuals above.

## **Club/Skating School COVID-19 Protocols**

Clubs and skating schools must create and follow a set of protocols to deal with situations related to the COVID-19 pandemic that might occur. These protocols should be included in an e-mail to members before skating activities resume. Clubs and skating schools should also consult with their facility to ensure alignment between facility and club/skating school protocols. Skate Ontario has developed the draft information below for consideration by clubs and skating schools in creating their protocols.

### **Completion of Skate Ontario COVID-19 Waiver**

All individuals participating in club/skating school must complete the Skate Ontario Acknowledgment, Release, Indemnity and Assumption of Risk regarding COVID-19 ("**COVID-19 Waiver**"). Failure to do so means that individual must not participate in club/skating school activities.

Any individual participating in club or skating school activities is required to complete a COVID-19 Waiver, or have a signed COVID-19 Waiver on-file with Skate Ontario:

- Skaters
- Coaches
- Staff
- Board Members
- Volunteers
- Officials (please note: this will be kept on file with Skate Ontario)

### **An individual becomes unwell with symptoms of COVID-19**

- If an individual becomes unwell with symptoms of COVID-19, or if someone is aware of an individual that becomes unwell with symptoms of COVID-19, that individual must immediately stop participation in club or skating school activities.
- The individual should be isolated from all others in a well-ventilated area, or outside and provided with a mask or face covering if one is available
- The individual shall be sent home and instructed to follow public health guidelines regarding self-isolation and testing
- The facility should be informed in order to determine if any areas need to be closed off and/or require additional cleaning/disinfecting
- A member of the COVID-19 Oversight Group should be informed of the situation and should contact the individual or their parent/guardian to determine if next steps are being taken regarding testing

### **An individual is tested for COVID-19**

- Any individual that is part of a club or skating school that is unwell and has been tested for COVID-19 must not participate in club or skating school activities while waiting for the results of the test
- Any individual that is part of a club or skating school that has been tested for COVID-19 and has no COVID-19 symptoms, no known exposure to COVID-19 and no travel history is permitted to participate in club or skating school activities while waiting for the results of the test

**An individual tests positive for COVID-19**

- If an individual tests positive for COVID-19, they should inform a member of the club/skating school COVID-19 Oversight Group
- The COVID-19 Oversight Group will work where requested with the facility and public health officials to assist in contact tracing. The Session Participation tracking sheets may be used to assist public health officials in informing other club/skating school members who may have been in close contact with the individual
- Any club/skating school members who were in close contact with the individual should follow public health guidelines regarding self-isolation and testing
- It is recommended to also inform all club/skating school members of a positive COVID-19 result within the club/skating school setting
- The club/skating school should inform and work with the facility in the case of a positive COVID-19 result and determine if any additional cleaning/disinfecting should be performed as per the facility's guidelines
- The club/skating school will inform Skate Ontario of a positive COVID-19 diagnosis by e-mailing [clubsupportservices@skateontario.org](mailto:clubsupportservices@skateontario.org)

**Return to club/skating activities following illness or exposure to COVID-19**

- Individuals must follow all public health and facility guidelines with respect to returning to club/skating school activities following an illness or exposure to COVID-19
- If a COVID-19 test was negative and there was no known exposure to COVID-19, the individual may return to club/skating school activities once they no longer have any symptoms of COVID-19 for at least 24 hours
- If a COVID-19 test was negative but there was a known exposure to COVID-19, the individual may only return to club/skating school activities once they have completed the period of self-isolation as advised by their local public health unit.

**Return to club/skating activities following COVID-19**

- Following a positive COVID-19 test, an individual must follow all public health guidelines regarding return to activities.

**Modification/restriction/postponing or canceling of club/skating school activities**

- Based on the evolving COVID-19 pandemic, the club/skating school must be prepared to follow public health, municipal/provincial government and sport recommendations regarding modifying/restricting/postponing or canceling activities
- Clubs should establish a program cancellation policy if one does not exist already
- Clubs/skating school members should be informed as soon as possible of any modifications/restrictions or cancellations
- Clubs/skating schools must keep any modifications and restrictions in place until advised that it is safe to resume activities by public health, government or sport officials

## **Public Health Guidelines**

Club and skating school members should follow all public health guidelines regarding COVID-19. These may include:

- Any club/skating school members who themselves have travelled outside of Canada, must self-isolate and not participate in club/skating school activities for 14 days, unless the individual has a Government of Canada Travel Exemption
- Any individual who has been exposed to a confirmed case of COVID-19 should self-isolate and is not permitted to participate in club/skating school activities until they have completed the period of self-isolation as advised by their local public health unit, unless they engaged in consistent and appropriate use of PPE (i.e. healthcare workers)
- Any individual with symptoms of COVID-19 is not permitted to take part in club or skating school activities

## **Club/skating school COVID-19 Communication Plan**

Clubs and skating schools should ensure effective communication is taking place with their membership during the Return to Play Stages. The following should be considered by the clubs/skating schools.

1. Ensure up to date contact information for all club/skating school members is on-file
2. Determine best method to distribute information (i.e. Facebook page, direct e-mail lists, webinars...)
3. Determine the responsibility for communication within the club/skating school during the Return to Play stages (i.e. staff, volunteer, COVID-19 Oversight Group)
4. Establish consistent cadence of communication to maintain connection with club/skating school members during Return to Play (i.e. Weekly. Bi-weekly)
5. Consider holding a virtual Town Hall / Webinar to deliver information on Return to Play protocols and answer any questions / concerns
6. Consider where communications/documents can be stored on a website or social media site for future reference by club/skating school members
7. Designate member of COVID-19 Oversight Group to follow up with any individuals who become unwell with symptoms of COVID-19 during club/skating school activities
8. Determine paper or virtual storage location for daily Session Participation Tracking sheets
9. If it is determined that a club/skating school member has tested positive for COVID-19, work with Public Health who will perform contact tracing and will inform all club/skating school members that may have been in close contact with that individual
10. Ensure the facility and Skate Ontario are informed if a club or skating school member is diagnosed with COVID-19.
