

Bring on the Fun Point Tracker for Team Challenge

Team Challenge Format

Skaters from the same club or multiple clubs, form one team and earn points for their team with each skate.

Team Challenge Point Tracker

The purpose of this document is to provide an overview of how the Team Challenge Point Tracker will work. This chart shows that each skater is awarded a point towards the Team Challenge, based on the skaters' ranking in the category they participated in.

Each participating skater or team contributes points to their own Team Challenge.

Ranking	Points for Team Challenge
1 st	8 points
2 nd	7 points
3 rd	6 points
4 th	5 points
5 th	4 points
6 th	3 points
7 th	2 points
8 th	1 point

For example, if a skater or team comes first in their group, 8 points will go towards their Team Challenge Point Tracker. Or if a skater or team comes sixth in their group, 3 points will go towards their Team Challenge Point Tracker.

Skate to Standard Categories

Please see the Skate to Standard Chart below to see how standards achieved equates to points for Team Challenge.

Standard Achieved	Points for Team Challenge
Gold	8 points
Silver	7 points
Bronze	6 points

For example, if skaters are assessed to Silver, 7 points will go towards their Team Challenge Point Tracker.

Example of a Team Challenge Point Tracker

The points will be posted on the Team Challenge Point Tracker on site. This is an example of how scores will be posted.

It is important to note that all teams will be listed, and every time a score is updated the scoreboard will identify the following:

1. Time scoreboard was updated
2. Categories and groups that were included in the update

This information is important, as you can cross reference with the schedule to see what points are included in the overall tracker.
