

Assessment Coordinator - How to Add an Assessment Day

Step 1: Go to 'Configuration' and Select 'Manage Activities'

The screenshot shows the 'Manage Activities' configuration page in the Assessment Coordinator application. The browser address bar displays 'app.betterimpact.com/Organization/Activity'. The left sidebar contains a navigation menu with 'Manage Activities' highlighted. The main content area features a 'Filters' section with various dropdown menus for Category, Status, Allow Hours Logging, Type, Keywords, Auto Log Hours, Ends Before, Sort, Auto Lock, Visible to, and Self-Scheduling. A 'Clear Filters' button and a 'Filter Activities' button are also present. Below the filters, a message states: 'It looks like you have filters applied. If you don't see the item you are looking for, you can change your filters (above) and try again.' The 'Activities' section shows a list of 'Assessment Days' with a '+ New Activity' button. The 'Complete Category List' section shows a list of categories, including 'Assessment Days'.

Step 2: Go to Activities and select '+ Use a Template' and then click on the 'Assessment Day template'

Basic Info

Step 3: Enter the Activity or Position name (maximum 200 characters). If your Club/School is part of “Skate Ontario Intake”-Please include your Club/School name in the Activity.

Step 4: Select the options for Category, Application Form, Active Status, Hours Logging, Group Sign up, Auto Log Hours, and Allow volunteers to sign up for the backup list

Step 5: Enter a Description that will include information about the activity to be seen by those applying (Pre-assigned); those assigned or scheduled (Post-assigned) and administrators only (Internal). You can include information about alternate days or flexibility your Club/school has. i.e. Time flexible, we have ice from 4:00pm-9:00pm

The screenshot shows the 'Create New Activity' form in the Better Impact system. The form is divided into several tabs: 'Basic Info', 'Schedule', 'Visibility and Automation', 'Qualifications', and 'Classifications'. The 'Basic Info' tab is currently selected and contains the following fields and options:

- Activity:** Assessment Days
- Category:** (Dropdown menu)
- Activity Report Group:** (Dropdown menu)
- Application Form:** Default Application Form
- Active:** This activity is active
- Allow Hours Logging:** Volunteers are allowed to log hours for this activity
- Auto Log Hours:** Auto log hours for this activity
- Backup List:** Allow volunteers to add themselves to the backup list
- Description - pre-assigned:** (Rich text editor with a toolbar and the text '(What it is all about)')

At the bottom of the form, there is a warning message: "Please make sure to visit all of the tabs and fill in the required fields before saving." Below this message are three buttons: "Cancel", "Next", and "Save".

Schedule

Step 6: Click the [Next] button to choose your schedule options. Ensure you choose 'One Time'

The screenshot shows the 'Create New Activity' dialog box in the Better Impact system. The dialog has four tabs: 'Basic Info', 'Schedule', 'Visibility and Automation', 'Qualifications', and 'Classifications'. The 'Schedule' tab is active, showing options for 'Recurring Pattern', 'Disjointed', 'One Time', 'Seasonal', and 'No Schedule'. The 'One Time' option is selected. Below this, there is a 'One Time Shift' section with three input fields: 'Start Date' (format: mm/dd/yyyy), 'Start Time' (format: hh:mm), and 'End Time' (format: hh:mm). At the bottom of the dialog are 'Cancel', 'Next', and 'Save' buttons. The background shows the 'Manage Activities' sidebar with a tree view containing 'COVID-19 Response', 'Classifications', 'Application Form Settings', 'Public Volunteer Page Settings', 'MyImpact Portal Settings', 'Activities', 'Manage Activities', 'Shift Templates', 'Bulk Activity Updates', 'Feedback Fields', 'Schedule Settings', 'Hours and Timeclock Settings', 'Resources', 'eLearning Modules', and 'Document Library'. The 'Recent Pages' section shows '1. Home'. The bottom of the screen shows a navigation bar with '+ New Activity', '+ Use a Template', and '+ New Category' buttons.

Visibility and Automation

Step 1: Visible to: Select which volunteers can see your Activity (if they can see it, they can sign up for it): (Public: All of your volunteers can see the Activity (it will also appear on your Activity List sign-up link to potential applicants)

Step 2: Self-Scheduling: Automatically assign these volunteers when they sign-up for the Activity/shift based on status and qualifications (optional). This will automatically schedule

the volunteer when they sign-up. Ensure you are comfortable doing this before selecting this option

Step 3: Auto Lock: Prevents volunteers from signing up when an Activity/shift is full

Step 4: Minimum Volunteers: Minimum number of people needed for the Activity/shift

Step 5: Maximum Volunteers: Maximum number of people needed for the Activity/shift (triggers the auto-lock)

Step 6: Allow volunteers to remove themselves: Indicate whether or not volunteers who have confirmed their assignment can withdraw from it. Skate Ontario does not recommend this feature at this time as an Evaluator could remove themselves leaving the activity vacant

Step 7: Cutoff signup: Indicate whether you want to prevent people from signing up for a shift within a specified number of hours before it begins

The screenshot shows the 'Create New Activity' form with the 'Visibility and Automation' tab selected. The form contains the following fields and options:

- Visible to:** Radio buttons for 'Only volunteers who are signed up, assigned or on the backup list', 'Visible to all volunteers who are...', and 'Public' (selected).
- Self-Scheduling:** Checked. Sub-options: 'Applicant', 'In Process', 'Accepted' (checked), and 'Inactive'. Each has an 'If Qualified' checkbox.
- Auto Lock:** Checked. Options: 'On the maximum number of volunteers signed up but not assigned' and 'On the maximum number of volunteers assigned' (selected).
- Minimum Volunteers:** Input field with '1' and a note: '*Does not affect the auto lock'.
- Maximum Volunteers:** Input field with '3' and a note: '*Auto locks at this number'.
- Allow volunteers to remove themselves:** Input field with '0' and a note: 'hours before the shift begins'.
- Cut off signup:** Input field with '0' and a note: 'hours before the shift begins'.

Buttons at the bottom of the form include 'Cancel', 'Next', and 'Save'. The sidebar on the left shows navigation options like 'Manage Activities', 'Activities', and 'Resources'.

Qualifications.

Step 1: Select the relevant Qualifications for this activity. Volunteers must meet or exceed what you select here to be considered qualified for the Activity. Considered qualified for the Activity can define whether or not they can see it (Visibility) and whether or not they can Self Schedule. Select the STAR 6 - Gold Qualifications based on the assessments at your Assessment Day. Please note that STAR 6 - 8 DANCE is a new module and many Evaluators have STAR 6 – Gold which encompasses STAR 6 - 8. If you select only STAR 6-8 Dance at this time, it will restrict the ability to get an Evaluator who may be qualified up to Gold. Only select “Local Club” if you need your Evaluator to be a member of your club, otherwise leave this blank.

Step 2: Click the [Save] button

The screenshot shows the 'Create New Activity' form with the 'Qualifications' tab selected. The form contains the following fields:
