Purpose

To host a meaningful and athlete-focused competitive experience in a fun, fair and safe environment and to work in collaboration with Skate Ontario to establish consistency in the delivery of all competitions across the province of Ontario.

Overview

Skate Ontario supports the growth and development of Skate Ontario athletes on the Podium and STAR pathways. In preparation for the 2024-2025 Events Season, Skate Ontario is opening the Bid Application process for the awarding of select events in the 2024-2025 season. This is the second year since the pandemic that Skate Ontario has had the benefit of a full season to engage with stakeholders and plan the event calendar for the following season. This allows for a more streamlined bid process than in the past that is further streamlined from interested partner clubs and schools that have hosted at least three events since the 2017-2018 season.

This document outlines the requirements that will be considered, and the process Skate Ontario will follow to award events in the Sectional, Provincial, and Synchro Series. The Bid Application requires the completion of an online form application.

Proposed 2024-2025 Event Calendar

The structure of the events calendar is based on Sport for Life and Skate Canada Long Term Development (LTD) principles. Each stage of development has a focused set of principles that we have considered to maximize the growth and development of the Skate Ontario athletes on the Podium and STAR pathways. A balance between appropriate event timing, number of events, training time, and recovery time required has been carefully considered in the design of the 2024-2025 schedule to ensure there are opportunities for skaters of all ages and in all geographic areas.

Anchored Events

Skate Ontario is fortunate to have several experienced host clubs and schools who have run very successful events that align with our guiding principles and Sport for Life and the LTD. **The following events are anchored and undergo a separate confirmation process and as such, are not included in this bid package.**

Sectional Series	Synchro Series	Provincial Series
August 16-18, 2024 – Kitchener-Waterloo	February 6-9, 2025 - Oakville	November 22-24, 2024- Keswick

Note: If there is an event that does not receive a bid, Skate Ontario will endeavor to find a host club or school. If one cannot be found, the event may be cancelled.

Event Specific Details

- Skate Ontario will determine the minimum and maximum number of skates per event
- Minimum and maximum number of skates will be determined on a 14-hour day schedule (8:00am – 10:00pm)
- Practice ice opportunities may be organized outside the 8:00am – 10:00pm event schedule each day
- Categories for each event will be determined by Skate Ontario
- Successful host clubs will have guaranteed pre-registration spots for skaters, at the event the club(s) is hosting
- The host club is not required to host the event at their home club arena
- It is acceptable for two or more clubs to work together on a bid
- Bids may still be considered even if your club falls just outside the identified geographic location or date. Contact Michelle Hunsley, Manager, Events, prior to submitting your bid application
- Skate Ontario reserves the right to alter the dates and geographic location of events

Hosting Requirements

Eligibility

To be eligible to submit a bid, the club or clubs must be in good standing with Skate Canada and Skate Ontario and meet all requirements as defined herein.

The bid application process provides an organized framework that supports the:

- Process of planning and scheduling
- Allocation of resources
- Development of volunteers
- Building of community
- Exposure for skating
- Production of strong, lasting relationships between Skate Ontario, host clubs and venues

Minimum Requirements

The following minimum standards are required to host a Sectional, Provincial, or Synchro Series event. Full list of hosting requirements is in the Skate Ontario Competition Manual.

- Ice availability for proposed event dates
- Guarantee that ice can be released 7 weeks prior to event start date
- Meet the minimum and maximum pad requirements (Appendix 1)
- Meet the minimum and maximum day requirements (Appendix 1)
- Accept the terms of the finance model
- Agree to use the Skate Ontario online event registration system

- Ensure hotel is within a 20-minute drive from venue and has capacity for up to 30 rooms per night for officials
- Have a Local Organizing Committee that is comprised of at least (LOC leads may fill more than 1 role): Host Club Chair, Volunteer Coordinator, Logistics Coordinator, On-Site Registration Coordinator.
- Strong volunteer base to fill all positions required over the duration of the event. Host club(s) will be responsible to recruit all volunteers for the event excluding officials (judges, technical panel, data specialists, technical representative, live streaming personnel where applicable). Refer to Skate Ontario Competition Manual for all volunteer roles and duties.
- Demonstrated commitment from the host club (See Appendix 7)

Local Organizing Committee

The 2024-2025 events will be executed and organized in partnership between the host club, Skate Ontario, and the organizing committee*. Skate Ontario's mandate is to ensure that all events hosted in Ontario meet the quality standards of Skate Ontario and Skate Canada. Each Sectional, Provincial, and Synchro Series event will be supported by a Skate Ontario Events staff member.

*Organizing committee consists of the following individuals (LOC leads may fill more than 1 role):

- Skate Ontario Single Point of Contact (SOSPOC)
- Host Club Chair
- Volunteer Coordinator
- Logistics Coordinator
- On-Site Registration Coordinator
- Technical Representative(s)
- Chief Data Specialist
- Computer Data Specialist
- Event Technician (specific events only)

Venue Specifications

To ensure successful hosting of the event, there are minimum venue specifications required to support the operation. Complete list of requirements is listed in the following appendices:

- Officials' Stands – Appendix 3
- Sounds System – Appendix 4

The streamlined application also requires confirmation that nothing has changed with the venue since the last event hosted by the club/school or a description of any changes

Finance Model

A hosting agreement outlining the roles and responsibilities of each party will be signed between Skate Ontario and the host club. The hosting agreement will also include all eligible and ineligible revenues and expenses that will determine the calculation of the net profit. Skate Ontario and the host club will each receive 50% of the net profit from the event.

For categories of revenues and expenses, see below.

Revenues	Expenses
Entry Fees	Officials – Travel/accommodations/meals
Admissions	Venue – Ice time/other related venue charges
Other Revenues – Sponsorship/donations – on a case-by-case basis per hosting agreement	*(1)
	Video Replay – Cost for Service Provider
	Equipment Shipping
	Equipment Rentals
	Medals
	Medical Services
	Other Expenses as defined in the event budget

In the unlikely event a financial net loss is predicated after the closing of event registration, Skate Ontario reserves the right to cancel the event.

In the unlikely event the event incurs a financial net loss, Skate Ontario will absorb this loss. In this case, the host club will only recover direct expenses related to the event.

***(1) – For the two Sectional Series “Section Championships” events (November and December 2024) the host club is guaranteed a minimum “share” of \$7500.00. In the circumstance that the “Section Championship” does not generate enough net profit to meet this minimum threshold, Skate Ontario will subsidize the club share in order to guarantee the minimum \$7500.00 “share” to the club.**

Skate Ontario has implemented an entry number/entry fee model that requires a minimum number of entries per event. To minimize the risk of incurring a financial loss, an event will not run if the minimum number of entries is not achieved by the entry deadline.

Skate Ontario will pay all expenses directly to suppliers, service providers, officials, and any other direct event expenses. In cases where the host club arranges for the purchase and provision of hospitality supplies (at the amount provided for in the budget), Skate Ontario will reimburse the club and record that payment as an event expense on the final financial report. Skate Ontario will not be providing any “up front” monies to the host club, including a float for hospitality.

Budgets will be drafted by Skate Ontario for discussion with the host club and will be vetted and amended (if necessary) by the organizing committee and approved by the Skate Ontario Chief Operating Officer.

The Host club may have the right to undertake fundraising activities, vendor agreements, practice ice sales and retain 100% of net profits generated from those activities, subject to approval of the Skate Ontario Chief Operating Officer.

Evaluation

Selection Committee

Skate Ontario has established a selection committee who will evaluate the submitted bids and award the 2024-2025 events to the successful host clubs.

Bids must clearly demonstrate that your club is prepared and committed to host a meaningful and athlete-focused competitive experience in accordance with the criteria outlined herein.

Criteria

- All bid applications will be reviewed and evaluated
- Applications will be consideration based on venue requirements, geographic locations, and event dates
- In the event there are no applications submitted for an event, Skate Ontario will endeavor to find a host club/skating school. If a host club/school cannot be secured, the event may be removed from the Events Calendar

In the selection of Host Club(s), Skate Ontario will evaluate bids based on the following criteria:

1 – Mandatory Documents/Documents Submitted	30%
2 – Venue	30%
3 – Judges Stands	15%
4 – Financials/Costs	15%
5 – Letter of Commitment	10%
	<hr/> 100%
