SKATE ONTARIO QUALIFYING STRUCTURE SECTIONAL CHAMPIONSHIPS – 2024/2025 SEASON

<https://skateontario.org/wp-content/uploads/2024/07/2-24-25-Sectional-Max-Qualifying-Entries-Final.pdf>

For the 2024/2025 season, the following qualifying system will be used for entry into the 2025 Skate Ontario Sectional Championships. This qualifying system applies for skaters who are competing in Pre-Novice, Novice, Junior and Senior, in the Men, Women, Pair and Ice Dance categories.

Athletes will qualify for both the 2025 Skate Ontario Sectional Championships using the following criteria:

1. **Qualifying Declaration:** In order to be eligible to qualify for Sectionals, athletes must have declared to have their scores tracked and published in ranking order.
2. **Qualifying Scores:** For Junior and Senior categories, scores from the August and October Skate Ontario Sectional Series events will be used for the 2024/2025 qualifying process.

For Pre-Novice and Novice categories, scores from the October and November Skate Ontario Sectional Series events will be used for the 2024/2025 qualifying process.

The highest overall score at the Sectional Series events listed above from each athlete and/or team, will be used to create the final ranking order for qualification in each category and discipline to both the 2025 Skate Ontario Sectional Championships.

- The overall score is the combined total score of the Short Program/Rhythm Dance/Pattern Dance and the Free Program from the same event.

If a category does not exceed the maximum number of entries, there will be no required score needed to compete at either of the 2025 Skate Ontario Sectional Championships

Only 2024 Skate Ontario Sectionals Series event scores may be used as part of the 2024/2025 Skate Ontario Sectional qualifying process. The only exception to this is when an athlete and/or team is assigned to a travel team by Skate Canada. In this situation only, the score from the selected event may be used as their Sectional qualifying score.

Please note that there is no minimum score requirement for either of the 2025 Skate Ontario Sectional Championships. In the absence of a Minimum Technical score, Skate Ontario reserves the right to ensure athletes assigned to both the Skate Ontario Challenge teams are at an appropriate competitive level for those events.

A minimum technical score outlined by Skate Canada is still required for the 2024/2025 Skate Canada Challenge, and the 2025 Canadian National Skating Championships.
