FAQ'S and Support

1. I entered my skater's information, but their profile already exists.

If the skater you are registering already has a profile that is linked to another account, please follow the steps on your screen to register the existing profile. This helps minimize the number of duplicate skater profiles and will ensure that the skater's account holder/parent/guardian receives important information about their skater's registration. If you do not believe your skater should have an existing profile, please contact the Events Team at events@skateontario.org to assist you further.

2. My desired category is not listed.

The categories available for registration are filtered based on your skater's age and gender – only categories your skater is eligible for will be listed. If a category your skater is eligible for is missing from the available options, please verify the following:

1. The category you wish to register for is offered at the event.
2. Registration is open for that category.
3. You have entered the correct date of birth for your skater.
4. The category name and age division (if applicable) you are looking for is correct.

If you are still having trouble registering for your desired category, please contact the Events Team at events@skateontario.org to assist you further.

3. I don't see my coach listed.

The list of available coaches is directly linked to the Coach Profiles that have been set up with SkateReg. If your coach has not yet created a SkateReg Coach Profile, their name will not be available for selection. Coaches can contact Jarret Melanson via email at jmelanson@skateontario.org for assistance with setting up their coach profile.

If you are an out-of-section skater and your coach has not set up a coach profile, you may search and select “Unavailable Coach” from the drop-down menu. Skaters who select this option will be contacted to confirm their coach’s information. Out-of-Section coaches may also create a Coach Profile to be used when registering for Skate Ontario events.

4. I entered the wrong information.

If during the registration process you realize that you have entered incorrect information including skater name, address, home club, Skate Canada number, or attending coach but have not yet proceeded to the waiver page, simply click the red “**edit**” button in the top right corner of the information box you wish to edit.

If you have reached the waiver page, you must proceed with the checkout process. Once you have completed your registration, please contact the events team at events@skateontario.org to assist you with updating your registration information.

If you have already completed your registration, including waivers and payment, please contact the Events Team at events@skateontario.org to assist you with updating your registration information.

5. I registered for the wrong category.

If during the registration process you realize that you have selected the wrong category but have not yet proceeded to the waiver page, simply click the red “**edit**” button in the top right corner of the **Category** box and update your category selection. If you have reached the waiver page, please **stop** and **contact** the Events Team at events@skateontario.org to assist you with updating your category.

If you have already completed your registration, including waivers and payment, please contact the Events Team at events@skateontario.org to assist you with updating your category.

6. I did not receive my e-mail receipt.

If you have completed your registration and have not yet received your e-mail receipt and confirmation of registration, please check your junk mail. If the e-mail cannot be found in your junk mail, please ensure that the e-mail address on your SkateReg account is correct and free of spelling errors. If the information is correct, please contact the Events Team at events@skateontario.org to assist you.

7. My coach did not receive e-mail confirmation of my skater's registration.

With the new SkateReg Coach Profiles, coaches will no longer receive an e-mail confirmation when a skater registers for an event.

Currently in development, when coaches log into their account they will be able to view skater registration information for each event.

Coaches who are having trouble accessing their coach dashboard should contact Jarret Melanson via email at jmelanson@skateontario.org.

Questions about event registration should be directed to the Skate Ontario
