

# SkateReg – Synchro Skater Registration Process

Skate Ontario has transitioned to a new registration platform for the 2024-2025 Event Season, <u>SkateReg</u>. This guide is to assist Synchro Skaters/Parents/Guardians with the new Synchro registration process for the 2024-2025 season.

The two largest changes from what you may have previously been familiar with is that you will now receive a registration link from your Team Registrar to add your skater to the team roster and you will have to electronically sign a participant waiver.

Questions about event registration should be directed to the Skate Ontario Events Team at <u>events@skateontario.org</u>

### PART 1 – Creating your SkateReg Account & Skater Profiles

### Step 1: Create Your SkateReg Account Login

In this step, you are entering your information as the Account Holder (Parent/Guadian). You will create skater profiles in a later step.

### Step 2: Add Your Skater(s)

In this step, you will create your skaters' profiles. Any profiles created will be linked to your account as the Account Holder (Parent/Guardian).
