5.2 Fiscal 2023/24 Audited Financial Statements Review

- Andrea introduced Derek Ventnor (Chief Operating Officer) to present the audited financial statements for the year ended June 30, 2024 as distributed.
- Derek noted that the audited financial statements were posted on the Skate Ontario website. A webinar was also delivered earlier in the week and subsequently posted on the Skate Ontario website for those who wanted a more in-depth review and the opportunity to ask questions.
 - Highlighted the fact that the audit is an unqualified (clean) report and that the auditor confirmed all organization processes and the overall management of finances are in good shape.
 - Reviewed highlights of the Balance Sheet.
 - Reviewed highlights of the Statement of Operations, also known as the income statement, including two main factors that contributed to an overall surplus for the year.
 - Confirmed the organization is in a good financial position going forward.
- The floor was opened for questions:
 - Why did the membership fee go up again for next year?
 - Derek confirmed that fees are reviewed as part of the planning process each year and that we are looking to stabilize fee expectations and eliminate “sticker shock” increases that have happened in the past when fees were held for many years. This year’s fee represents an inflationary increase that will allow us appropriate resources to support planned program delivery.
- Derek turned the meeting back to Andrea.
