2025-2026 STAR 1-4 Assignment Process

The STAR 1-4 Assignment Process Survey will open on **Monday, September 15, 2025 at 10:00 AM**, and will close on **Monday, October 20, 2025 at 11:59 PM**.

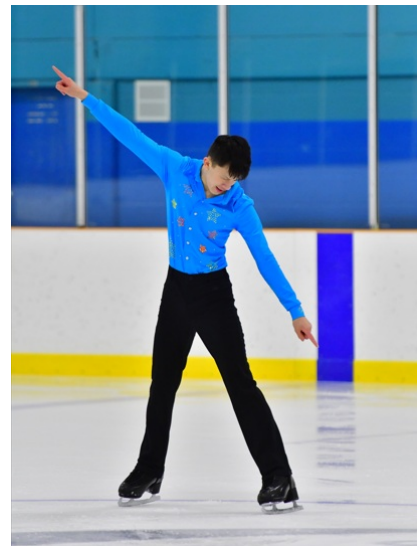

Final information about the number of assigned events each athlete will receive will not be released until **after** the closing and review of the 2025-2026 STAR 1-4 Assignment Process Survey. This decision was made in response to the increasing demand for event spots, particularly in the GTA. The goal of this change is to ensure fairness for those who complete the survey, and to provide more accurate information about event assignments.

Athletes who successfully complete the STAR 1-4 Assignment Process Survey will be guaranteed a minimum of two (2) entries (i.e. freeskate and solo dance) at one (1) STAR 1-4 event. Any additional event assignments will be determined based on the results of the 2025-2026 STAR 1-4 Assignment Process Survey and communicated shortly after the survey closing date.

Please note that supplementary categories (showcase, elements, and creative improv) are not included in the STAR 1-4 Assignment Process and will only be offered through public registration, space permitting.

More information including the survey preview and FAQs doc will be released shortly. Please visit [our website](#) for updates.

Questions about the 2025-2026 STAR 1-4 Assignment Process should be directed to eventassignment@skateontario.org.
