Bring ON The Fun! - Call of Interest

In preparation for the upcoming 2026 Bring ON The Fun (BOTF) Series, Skate Ontario is excited to put out a call of interest for BOTF Host Clubs.

All interested clubs/skating schools are encouraged to complete the [BOTF Call of Interest Survey](#).

The survey will remain open until September 12, 2025.

NEW for BOTF 2025-2026: All proposed dates for BOTF events will be considered. This means that a club or skating school may indicate that they wish to host a BOTF event in any month from November 2025 – May 2026.

Questions about hosting a 2025-2026 Bring On The Fun event should be directed to [Michelle Hunsley](#), Manager, Events.

2025-2026 STAR 1-4 Assignment Process Update

The STAR 1-4 Assignment Process Survey will open on Monday, September 15, 2025 at 10:00 AM, and will close on Monday, October 20, 2025 at 11:59 PM.

Final information about the number of assigned events each athlete will receive will not be released until **after** the closing and review of the 2025-2026 STAR 1-4 Assignment Process Survey. This decision was made in response to the increasing demand for event spots, particularly in the GTA. The goal of this change is to ensure fairness for those who complete the survey, and to provide more accurate information about event assignments.

- Athletes who successfully complete the STAR 1-4 Assignment Process Survey will be guaranteed a minimum of two (2) entries (i.e. freeskate and solo dance) at one (1) STAR 1-4 event.
- Any additional event assignments will be determined based on the results of the 2025-2026 STAR 1-4 Assignment Process Survey and communicated shortly after the survey closing date.
- Please note that supplementary categories (showcase, elements, and creative improv) are not included in the STAR 1-4 Assignment Process and will only be offered through public registration, space permitting.
