Public Registration Waitlists

For the 2025/2026 season, Skate Ontario will be automatically waitlisting public registration for **all Provincial Series** and **STAR 1-4 Series** events.

This means that at the posted opening time & date of public registration, you will only see an option to “Join Waitlist”.

All waitlisted entries will be reviewed and invited athletes will be emailed directly with a link to register within 72 hours of public registration closing. The goal of this change is to ensure fairness for all athletes who wish to participate in a Skate Ontario event in the 2025/2026 season.

Waitlist User Guide

A step-by-step guide for joining the waitlist is now available! Please [review the guide](#) before joining the waitlist.

Waitlist Dos and Don'ts

- Consider your waitlisted events carefully based on the [waitlist review criteria](#).

- When joining the waitlist, add your athlete to your desired category(ies) ONLY. Do not join the waitlist for multiple levels of the same discipline, or both qualifying AND non-qualifying options. Doing this significantly inflates waitlist numbers and slows the review process. Please be intentional with your category selection. If you do not plan to register for the category, do not join the waitlist for it.
- Watch your junk mail! If your athlete is invited to register, you will receive a link direct to your SkateReg user account email. If you do not register before your link expires, the spot will be offered to the next athlete.
- Register promptly if you receive a link and let us know if you are no longer interested in the spot so that we can offer it to the next athlete.
- Remove your athlete from the waitlist if you are no longer interested in the event. To remove your athlete from the waitlist, please email events@skateontario.org or the staff contact listed for the event.
- Please do not contact the Events Team or the staff contact listed for the event to confirm that your athlete was added to the waitlist.
