

IMPORTANT: PLEASE READ

Official Entry Lists & Start Orders for this event will be created using Skate Canada's new online scoring system. This means the home club that will appear on the Official Entry Lists & Start Orders will be the home club that is registered to the athlete's Skate Canada Number, regardless of the club information you entered at the time of registration

1. The home club connected to your Skate Canada # will override any home club information entered at the time of registration. For this reason, **home club information listed below may not match the Official Entry Lists & Start Orders if the club listed below is not registered to your Skate Canada #**
2. Skate Ontario does not have access to the Skate Canada CRM to verify your registered home club information. **If you have changed home clubs since the 25-26 season, you must contact Skate Canada directly to ensure your home club information is accurate for this event.**
info@skatecanada.ca
3. If your athlete is representing another federation and you have already provided a release letter, there is no further action you are required to take. Your athlete's club & country will accurately reflect your release letter.
