Bids are now open for non-anchored events for the 2026-2027 season and will close on **Sunday, March 8, 2026 at 11:59 pm ET.**

To review bid packages or submit an application to host, please visit [our website](#).

Questions about Event Bids should be directed to [Michelle Hunsley](#), Manager, Events.

Withdrawing from an Event/Competition

If your athlete is no longer able to compete, parents/guardians and/or coaches are asked to notify the Skate Ontario staff member identified in the event announcement as soon as possible.

Timely notification is important, as unreported withdrawals create challenges for event operations and for the host club volunteers and volunteer officials supporting the event.

We appreciate your cooperation.
