2026-2027 Provincial Series Calendar and Opportunities Chart

The 2026-2027 Provincial Series Calendar and Opportunities Chart will be released by **Friday, July 24, 2026**.

The calendar will be published on the [Skate Ontario website](#) and emailed to the Skate Ontario mailing list.

To sign up for the Skate Ontario mailing list, please visit our [website](#) and look for "Never Miss an Update."

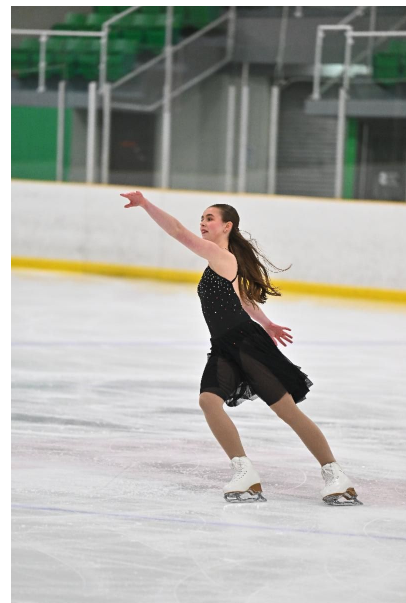

Provincial Series #1 Huntsville – Registration Dates

As outlined, Provincial Series #1 Huntsville will **not** be included in the 2026–2027 Provincial Series Assignment Process.

Registration will be conducted through a live, first-come, first-served public registration, so please register promptly.

Provincial Series #1 Huntsville will not be counted toward an athlete's total event count when reviewing public registration waitlists for the 2026–2027 season. Results from Provincial Series #1 Huntsville will continue to count toward the Provincial Series ranking.

As Provincial Series #1 Huntsville was introduced last season and takes place at a different point in the season for athletes in the Learn to Train stage of Long-Term Development, Skate Ontario will evaluate its impact following the 2026–2027 season. This review will help determine how the event should be considered within the Provincial Series Assignment Process and public registration waitlist considerations in future seasons.

Provincial Series #1 Huntsville is scheduled to take place October 2-4, 2026, in Huntsville. This event will offer **STAR 5-Gold in Singles and Artistic as well as both Couples and Solo**

Dance. It will also offer **Pre-Juvenile & Juvenile in Singles and Ice Dance.**

Public registration for this event will open on **Tuesday, July 21, 2026 at 1:00 PM ET**, and will close at on **Monday, July 27, 2026 at 11:59 PM ET**. This event will *not* be automatically waitlisted – **REGISTRATION WILL BE LIVE**. If the event fills before the close of registration, the waitlist will be activated until the posted closing date & time.

For more information, please visit the [detailed event page](#).

Questions about this event should be directed to [Kaiti Colville](#), Coordinator, Events.

2026-2027 Provincial Series Assignment Process

We are pleased to announce the 2026-2027 Provincial Series Assignment Process!

The Provincial Series Assignment Process (PSAP) offers athletes a guaranteed opportunity to register for a select number of events during an advanced registration period. This helps athletes, coaches, and parents/guardians better plan and prepare for the upcoming competition season.

The 2026-2027 Provincial Series Assignment Process Survey will open on **Tuesday, August 18, 2026 at 10:00 AM ET**, and will close on **Tuesday, September 8, 2026 at 11:59 PM ET**.

The structure of the 2026-2027 PSAP will remain relatively unchanged from the previous season with some notable changes. Please review the details below!

2026-2027 Skate Ontario Provincial Series Assignment Process

The details outlined below will remain unchanged from the 2025-2026 PSAP:

- The 2026-2027 Provincial Series Assignment Process Survey will be completed through SkateReg.
- Athletes will select and **rank in order of preference** their top 4 Provincial Series Events that are offered in the 2026-2027 season.
- The targeted minimum number of events that each athlete who completes the survey correctly will receive is **2 of their top 4 events**. Information about the number of assigned events each athlete will receive will not be released until **after** the closing and review of the 2026-2027 PSAP survey.
- A specific event selection process will be in place for those athletes between STAR 4 Freeskate & STAR 5 Freeskate (*more details below*)
- All public event registrations will be automatically waitlisted to allow a manual review of waitlisted athletes. Athletes will be invited to register off the waitlist based on priority and the need for an additional opportunity. More information to be shared at a later date.
- Event assignments and all *direct* communication with *survey participants* will be sent via email from eventassignment@skateontario.org. Any questions about the assignment process should be directed to this email as well.

Changes to Expect with the 2026-2027 Provincial Series Assignment Process

- Due to high demand for certain events, a strict **2 category per athlete limit** will be in place for the following events: Provincial Series **Stratford**, Provincial Series **Milton**, Provincial Series **Brampton**, and Provincial Series **Gloucester (EMWC)**. The goal of this 2-category-per-athlete limit is to ensure fair opportunity for all interested athletes. While we cannot guarantee that we will be able to accommodate all interested athletes at these events, we hope that this category limit will open as many spots as possible. Athletes who intend to compete in 3+ categories must be prepared to prioritize which two categories they wish to register for should they be assigned to any of the above stated events.
- All other Provincial Series Events will have a **targeted minimum** of 2 categories per athlete, with the opportunity to register for 3+ categories if space allows. This will be determined based on the results of the 2026-2027 PSAP Survey and will be communicated prior to advanced registration opening.
- Event assignments will be published online. Athletes will be identified by their Skate Canada number and home club only; athletes' names will NOT be published. It is the responsibility of each user to ensure that the Skate Canada number listed on the athlete's SkateReg profile is accurate for easy identification. Skate Ontario is not responsible for invalid or incorrect Skate Canada numbers on your athlete's SkateReg profile.
- The link to view event assignments will be emailed directly to the user who completed the survey, as well as all coaches listed as Attending Coaches in the survey.
- Advanced registration links will still be emailed directly to the user's email address by 4:00 PM the business day prior to advanced registration opening.

STAR 4/5 Freeskate Athletes

Last season, users were asked to identify athletes who would be between STAR 4 and 5 freeskate. These athletes received one (1) STAR 4 freeskate assignment, and one (1) STAR 5 freeskate assignment.

This year, users will follow a specific event selection process within the 2026-2027 Provincial Series Assignment Process for athletes who will be between STAR 4 and 5 freeskate for the upcoming season.

- This event selection process will once again allow athletes to receive a split event assignment, rather than committing to either the Provincial Series Assignment Process (STAR 5+), or the STAR 1-4 Assignment Process (STAR 1-4).
- This event selection process will also take into consideration any additional categories at the STAR 5+ level these athletes may compete in, such as Artistic and Ice Dance.
- A detailed user guide and survey preview will be available to assist users in completing this specific STAR 4/5 freeskate event selection process.

Survey Completion

Prior to completing the 2026-2027 Provincial Series Assignment Process Survey, please ensure you have the following:

- **A SkateReg Account:** To create your account, [click here](#). This will be the same account that you will use to register for events. Please do not create a duplicate account if you already have one. If you require assistance with your SkateReg account, please contact events@skateontario.org.
- **Correct Skate Canada Number:** The Skate Canada number on your athlete's profile will be used to identify your athlete in connection to their event assignments. Please ensure the Skate Canada number on their profile is correct.
- **Your Top 4 Events:** We highly recommend that you discuss with your coach prior to completing your survey. You will be required to rank your top four (4) events in order of preference (you must select 4 different events).
- **Desired Category(ies):** You will be asked to identify which category(ies) you wish to register for this season. This information is collected so that Skate Ontario can more accurately predict the number of requested entries per event. Athletes are not assigned to categories or levels; however, the number of categories an athlete may register for during assigned athlete registration may be restricted as outlined above.

It is crucial that all users understand the importance of completing their survey as accurately as possible. The information that is collected will be used to determine the number of events and categories each athlete who completes the survey is assigned to. **Athletes whose surveys are missing information or completed incorrectly may not receive any event assignments, or they may receive an assignment for an event that was not selected in their survey. Please follow the directions closely when completing your survey.**

A preview of the 2026-2027 PSAP Survey will be released by **Friday, August 7, 2026**.

Survey Communication

The Provincial Series Assignment Process Survey will be communicated through the following channels:
