REGIONAL SYNCHRONIZED SKATING CHAMPIONSHIPS (FROM SECTION 10 SKATE CANADA RULES OF SPORT)

<https://info.skatecanada.ca/index.php/en-ca/rules-of-sport/54-competitions.html#h11-regional-synchronized-skating-championships>

A regional competition will be held for each of the following groups of Sections:

- Atlantic: New Brunswick, Nova Scotia, Prince Edward Island, Newfoundland/Labrador
- Quebec: Quebec
- Ontario: Ontario
- Prairie: Manitoba, Saskatchewan
- Mountain: British Columbia/Yukon, Alberta/Northwest Territories/Nunavut

Full authority over the planning, organization and conduct of the championships is delegated to the host Section, except for those matters specifically given to the technical representative and Skate Canada. The host Section may delegate all or any part of its authority and responsibility as necessary.

Regions may choose to hold two Regional Synchronized Championships and/or hold the Regional Championship in conjunction with an invitational event.

Regional Synchronized Skating Championships must be held annually for at least the obligatory Events and must conclude a minimum of seven days prior to the Canadian Figure Skating Championships or Skate Canada Cup for the respective Categories.

The announcement of the Regional Synchronized Skating Championships must be distributed to all Clubs in the Section belonging to the defined regional event not later than six weeks before the date of the first Event.

There is no qualification process to enter this competition, however a qualifying round may be held if entry numbers warrant.

The registration rules apply.

Entries (from Section 10.1 Skate Canada Rules of Sport)

The following categories are mandatory Novice, Gold, Open, Junior and Senior. All specifications at the Regional Synchronized Skating Championships must be identical to the corresponding Events at the Canadian Figure Skating Championships (Junior, and Senior) or Skate Canada Cup (Novice, Gold, Open). Other Events may be added at the discretion of the Regional Synchronized Championships committee. Details for such Events must be included in the announcement.

If there are fewer entries than the normal quota of entries to the Canadian Figure Skating Championships or Skate Canada Cup in any Regional competition, the Region may dispense with the competition and approve the entry of the competitors to the Canadian Figure Skating Championships or Skate Canada Cup of the same Category (if applicable).

The entry fees, if any, for the Regional Synchronized Skating Championships will be set by the host Section.

The host Section must verify the eligibility of all competitors. The Section must submit all teams entering Qualifying Events to Skate Canada no later than October 3 (Junior and Senior) or December 15 (Novice, Gold, Open, and Senior Elite 12) or the next business day following that date.

Team Composition Requirements (from Section 10.2 Skate Canada Rules of Sport)

The following composition requirements apply for teams competing at Regional Synchronized Skating Championships, at the Canadian Figure Skating Championships and the Skate Canada Cup:

- Teams may consist of members from different Clubs; Clubs may join together to form a synchronized skating team if there is not a sufficient number of skaters from one Club to make a team
- A team must represent at least one Skate Canada Club and members of the team must be Registrants of Skate Canada
- Skaters may skate with as many Clubs as they wish but can only represent one Club in the same Event
- A Club may enter teams in more than one Event Category provided that for each additional Category entered, 50% of the skaters are different (the calculation does not include alternates), different music is used, and a different routine is skated
- There shall be no substitution of registered team members or additional names added; only those skaters who competed at the Regional Synchronized Skating Championships will be allowed to skate in the Canadian Figure Skating Championships or Skate Canada Cup
- Each team may have up to four alternates listed on the Event team roster

Selection of Entries from Regional Synchronized Skating Championships (from Section 10.3 Skate Canada Rules of Sport)

Final Result

The final result in each Regional Event will determine the competitors eligible to enter the applicable Canadian Figure Skating Championships or Skate Canada Cup based on normal quota of entries

Normal Quota of Entries

Selection of entries from Regional Synchronized Skating Championships to the applicable Canadian Figure Skating Championships or Skate Canada Cup is as follows:

REGION	Mountain	Prairie	Ontario	Quebec	Atlantic
Novice, Gold, Open	3	1	6	5	2
Senior Elite 12, Junior, and Senior	2	1	5	4	1

The normal quota of entries will be reviewed on a periodic basis.

Alternates: The next placed entry in each regional Event may be nominated as an alternate

entry and may replace an entrant who has withdrawn before the start of the Event.

If the maximum quota at a Regional Synchronized Skating Championship is not filled due to insufficient entries, that Event may be held, but is not mandatory.
