Athletes are identified by their **Skate Canada Number** and **Home Club**. To quickly find your athlete, enter **Ctrl + H** to open the search field. Enter their **Skate Canada number** (ensure there are no extra spaces or characters), select **“this sheet”**, and **“match case”** then click **Find** (clicking Done will not complete a search).

Your athlete's Skate Canada Number can be found on their Uplifter Profile. Log into your Uplifter account, click User Account Settings and select the appropriate profile. You can view their Skate Canada Number under Attributes & Records.

How and When to Register

You will be able to register for your assigned events during the **Assigned Athlete Registration Period**. These dates & times are published on the [Event Series Information Page](#), as well as each [detailed event page](#).

You will receive your advanced registration link to the email address on your Uplifter user **account**. This advanced registration link will be sent to you by **4:00 PM the business day prior** to the scheduled Assigned Athlete Registration Period opening. For example, if your Assigned Athlete Registration Period is scheduled to open Thursday, you will receive your link by 4:00 PM Wednesday (the business day prior). **It is your responsibility to make note of the date you will receive your link. Please mark it in your calendar.** Contact us at eventassignment@skateontario.org only if you have not received your link by 4:00 PM the business day prior.

Your spot is only guaranteed if you register during the Assigned Athlete Registration Period for your event. If you miss the deadline to register, you will be required to join the public waitlist.

You are not permitted to register for an event to which you were not assigned. Once Assigned Athlete Registration has closed, Skate Ontario will confirm that only assigned athletes have registered. Athletes who register during the Assigned Athlete Registration Period for an event to which they were not assigned will be withdrawn and refunded less a **\$50 administrative fee**.

Events with Per Athlete Category Limits

As previously communicated, four (4) Provincial Series Events were identified as having a 2 category per athlete limit for assigned athletes. These events include **Provincial Series Stratford, Provincial Series Milton, Provincial Series Brampton, and Provincial Series Gloucester.**

Based on the results of the 2026-2027 Provincial Series Assignment Process Survey, **Provincial Series #15 Aylmer** will have a **2 category per athlete limit**. This means that each athlete may only register for 2 categories (i.e. short & free; free & artistic) during their Assigned Athlete Registration Period. Athletes who wish to register for an additional category must join the public registration waitlist and will be invited to register, **SPACE PERMITTING**.
