Welcome Message

We are pleased to present Skate Ontario's 2025-2026 Annual Report, reflecting on another successful year of growth, achievement, and collaboration across Ontario's skating community. This season was defined by the passion, dedication, and commitment of our athletes, coaches, officials, volunteers, clubs, skating schools, and partners who work tirelessly to support and advance our sport.

As we continued into the third year of our 2023-2027 Strategic Plan, we remained focused on strengthening Club and Skating School Services, advancing Skating Excellence, and enhancing Organizational Excellence. We are proud of the meaningful progress made this season and the positive impact these initiatives continue to have across the province.

Supporting our 327 member clubs and skating schools remained a key priority. Through initiatives such as the relaunch of the Skate Ontario Member Lounge, Presidents Club Calls, governance education opportunities, and ongoing club support, we continued to provide resources, education, and networking opportunities that help our Members thrive. This season also saw continued growth in our CanSkate Excellence and STAR 1-5 Excellence programs, supporting high-quality, athlete-centred programming in communities across Ontario.

This season also marked an important milestone in club development through the Club Modernization Pilot Program, presented by Jackson Ultima. We were proud to celebrate Sioux Lookout Skating Club as the first club to successfully graduate from the program, demonstrating the impact of innovative, athlete-centred approaches to governance, coaching, and program delivery. This achievement highlights our commitment to helping clubs build stronger and more sustainable organizations for the future.

At the high performance level, Ontario athletes achieved outstanding success on both national and international stages. A season highlight was Piper Gilles and Paul Poirier's Olympic bronze medal in ice dance, an achievement that inspired skaters across the province and showcased Ontario's excellence on the world stage. Ontario athletes also accounted for 100% of Canada's medals at the Olympic Games, World Championships, and Junior World Championships, underscoring the strength of our athlete development system. We congratulate all athletes, coaches, and support teams who represented Ontario and Canada with distinction.

Our event season was another tremendous success, featuring 48 events and more than 20,800 entries. These opportunities would not be possible without the dedication of our volunteers, officials, Local Organizing Committees, and host clubs. We extend our sincere gratitude for the time, expertise, and passion they contribute to our skating community.

As we reflect on the accomplishments of the 2025-2026 season, we are inspired by the strength and resilience of our skating community. Together, we continue to build a strong foundation for the future of skating in Ontario. Thank you for your ongoing support and for being an essential part of our success.

Yours in skating,

Alison Sims
Chair, Board of Directors

Data Specialist Development

During the 2025–2026 season, Skate Ontario delivered one Level I and one Level II Data Specialist Clinic, training three new Data Specialists. In addition to formal training, participants benefited from ongoing mentorship opportunities at events across the province, helping to build technical expertise and support the continued growth of this essential officiating pathway.

Officials Appreciation Day: Ignite the Passion

In June 2026, Skate Ontario hosted **Ignite the Passion**, our first officials appreciation event, bringing together officials from across the province for a day of recognition, connection, and professional development.

The event celebrated the invaluable contributions officials make to skating in Ontario while providing opportunities to learn, share experiences, and strengthen the officiating community. Skate Ontario is grateful for the dedication, expertise, and commitment of our officials, whose efforts help create positive and successful experiences for skaters at every level.

Volunteers

During National Volunteer Week (April 19–25, 2026), Skate Ontario proudly celebrated the volunteers who make skating possible across the province. Through our High Five a Volunteer initiative, we recognized 31 volunteers on our website and social media channels, highlighting their dedication and impact on the skating community.

To all of our volunteers, thank you for your time, passion, and commitment to the sport. Your contributions help create positive experiences for skaters, coaches, clubs, and families across Ontario, and we are grateful for everything you do.
