Skate Ontario's Approach to Qualifying

At Skate Ontario, we believe the path to the Provincial Championships should support athletes, not overwhelm them. The Provincial Championship qualifying structure is built with Skate Canada's Long-Term Development (LTD) framework in mind, and we encourage coaches and clubs to use it that way.

The Provincial Series offers multiple opportunities throughout the season, with an athlete's highest score used for qualifying purposes. While the structure itself doesn't limit competition volume, we encourage coaches to be intentional about how many events their athletes attend, particularly at the STAR level, in keeping with LTD guidelines around stage-appropriate competition loads.

The Provincial Championships is designed to be the natural peak event of the season. How athletes get there should reflect that.

Coaches and parents are encouraged explore Skate Canada's [Long-Term Development resources](#) and [Parent Education Resource Guide](#) to learn more.

How Qualifying Works

- The highest Provincial Series score achieved by each athlete or team in a qualifying category will be used to determine their final ranking position for qualification into the 2027 Provincial Championships.
- All athletes who compete in a qualifying category at any 2026–2027 Provincial Series event will have their scores automatically tracked for qualifying purposes. There is no declaration form required.
- Only scores from Skate Ontario Provincial Series events can be used to determine a ranking position.
 - Pre-Novice athletes who compete at the 2026-2027 Pre-Novice/Novice Sectional Championships have an additional opportunity to qualify for the 2027 Provincial Championships. Their free skate score from that event will be tracked alongside any Provincial Series scores, with the athletes highest score used for ranking purposes.

2027 Skate Ontario Provincial Championships

Qualifying Structure

- The interim ranking list for each category will display scores only up to the maximum number of entries for the 2027 Provincial Championships.
- Skate Ontario reserves the right to make final decisions regarding any qualifying result disputes.

Tiebreaker Rules

If two athletes or teams receive the same score and are tied within the rankings, the following criteria will be applied:

- **Single-Program events (Star free skating or any pattern dance categories):** the athlete with the higher Total Element Score will be ranked higher. If still tied, the athlete with the higher Program Components Score will be ranked higher.
- **Free Program/Dance or Artistic Categories:** the athlete or team with the higher Program Components Score will be ranked higher. If still tied, the athlete with the higher Total Element Score will be ranked higher.

Athlete Eligibility

Category Limit

- Athletes may qualify for a maximum of 2 categories.
 - Athletes competing in Podium Pathway Partnered Ice Dance (Juvenile and higher) are not eligible to also compete in Solo Ice Dance.
 - If an athlete qualifies for more than 2 categories in singles, pairs, ice dance and/or artistic, the athlete and/or their coach must notify Skate Ontario of their chosen categories prior to the Provincial Championships registration deadline.
 - Synchronized skating is not counted in the category/discipline total for an athlete.

Age Requirements

- Athletes competing in a category divided by age brackets must compete in the age bracket that applies to them based on their age before July 1st 2026. For example, an athlete who has not reached the age of 11 before July 1st, 2026 must compete in pre-Juvenile U11 and is not eligible for pre-Juvenile U13.
- Athletes competing in STAR 5 through Gold categories, in any discipline, must not have reached the age of 22 before July 1st, 2026.

Podium Pathway Athletes

- Athletes who have registered for the 2027 Skate Ontario Sectional Championships in a Podium Pathway category (Pre-Novice-Senior) are not eligible to qualify for the 2027 Skate Ontario Provincial Championships in a STAR category in the same discipline. Example: Pre-Novice Women who competed at the 2027 Skate Ontario Sectional Championships is not eligible to qualify for Star 9 Free Skate. However, they are eligible if they qualify for the 2027 Provincial Championships in STAR 5-6 Solo Dance.

2027 Skate Ontario Provincial Championships

Qualifying Structure

Skate Canada Trophy

- Athletes who compete in the 2027 Skate Canada Trophy event will be ineligible to compete at the 2027 Skate Ontario Provincial Championships in the same discipline.
 - These athletes may still compete in any other Skate Ontario Provincial Series events throughout the 2026–2027 season in the same discipline.

Non-Canadian Citizens

- Athletes who are not Canadian citizens are eligible to qualify for the 2027 Skate Ontario Provincial Championships, provided all of the following criteria are met:
 - The athlete is registered with a Skate Canada member club or skating school in Ontario.
 - The athlete is not representing another country at a qualifying event (e.g., Regionals or Sectionals).
 - The athlete has been released by their current Federation, and
 - All assessment qualifications for the Skate Ontario Provincial Series event(s) entered are met.

Program Format

- **Pre-Novice** categories are **free program/free dance only** events.
